Education

B.Sc.(Hons,) Computer Science with Economics,
Obafemi Awolowo University
Aug 2016 – Jan 2022 | Nigeria
Relevant Coursework: Data Structures & Algorithms, Object-Oriented Programming, Human-Computer Interaction, System Analysis and Design Methodologies, Techniques in Software Development, Principle of Operating Systems, Introduction to Artificial Intelligence.

Work Experience

Chevron, *Software Engineering & IT Intern*
Nov 2019 – Feb 2020 | Nigeria
- Installed and deployed 40 High-Performance Computing infrastructure which increased the efficiency of reservoir engineering and earth sciences functions.
- Provided support for High-Performance Computer users, the backup & disaster recovery environment & the enterprise high-performance central storage along with other team members
- Updated the intranet website of a team built with ASP.net from the old template to the newer one while at the Application Development Team
- Automated repetitive computational tasks using UiPath as a Robotic Process Automation (RPA) tool, thereby increasing productivity.
- Tech used: Linux, Python, RPA, ASP.net, Visual Basic, JavaScript

Reliance Infosystems, *UI/UX Design Intern*
Sep 2019 – Oct 2019 | Nigeria
- Elicited user requirements by conducting interviews with users and research
- Analysed requirements to ensure its completeness, consistency and feasibility
- Designed 10 user interfaces of software applications based on the requirements and application functionalities to ensure usability.
- Developed design prototypes to clearly represent the final result
- Tech used: HTML, CSS, JavaScript, Bootstrap, Figma, Framer

Skills

Technical
HTML, CSS, JavaScript, Linux, React.js, Responsive Design, Bootstrap, GitHub, Gatsby.js, Robotic Process Automation, Microsoft Azure, Python, GraphQL, Figma

Personal
Problem-solving, critical thinking, team player, empathy, desire to learn, creativity, innovation, adaptability, growth mindset, attention to detail, time management

Leadership & Activities

AnitaB.Org, *Member*
Sep 2021 – present
Positively impacting the emerging generation of women technologists

Microsoft, *Student Ambassador*
Jan 2021 – present
Organising technical events to help fellow students grow with Microsoft Learn & impacting my local community with my skills

WomenTech Network, *Member*
Jul 2020 – present
Supporting other women in Tech in order to unite and encourage more women in Technology

Interests

Art, Music, Helping Others, Creative Writing, Reading
